

**Plantations**  
INTERNATIONAL

**GOAL!**

Plantations International currently manages over 220 acres of land which is the equivalent of **125 Football Pitches** parked end to end.

**Mango** - We will be harvesting at least **2,500,000 Mango** fruits per year from 2025

**Musang King Organic Durian** - We will be harvesting **205,000 Durian** fruits per year from 2025.

For our exporting purposes this will be over 250, 20 Feet containers per year full of fruits which if you stacked each container on top of each other would be higher than the Shanghai **Tower in Shanghai!!!**
