

## WE PLANT – WE GROW – WE HARVEST

With offices, plantations, and representatives across Asia, Europe, and Africa, Plantations International is a multinational plantation and farm asset management company that specializes in providing sustainable income producing agricultural assets for its clients. From the pre-conceptual planning stage to harvesting and marketing the final products, we strive to go the extra mile to exceed our clients' expectations.

### Who are we ?

We operate under a genuine value system—our pledge—that demonstrates integrity, respect, ethical behavior, perspective and honesty as a foundation for everything we do.
