

Plantations
INTERNATIONAL

GOAL!

Plantations International currently manages over 220 acres in SE Asia which is equivalent to 125 Football Pitches!!

'Nam Dok Mai' Mango -

We expect to harvest a minimum of 2.5m individual fruits per year from 2025

'Musang King' Organic Durian- We expect to harvest a minimum of 205,000 individual fruits per year from 2025

Annually we will be exporting 250 x 20 ft shipping containers full of fruit. Stacked on top of each other this would be higher than the **Shanghai Tower!!**
